Geocache marker icons 2

Geocache marker icons

On the live map as well as on the list of your stored caches c:geo might show small marker icons in the corners of a geocache icon to provide additional information without the need to open the cache details.

The following table describes the meaning of these markers:

Marker	Name	Description
	Stored	This geocache is stored offline in one of your lists. This marker is only shown on the map but not in your lists, as it is logical that all caches in your lists are already stored.
	Found	You have already found this geocache.
	Owned	This is one of your own geocaches.
	Personal note	A personal note is stored for this geocache.
	Modified coordinates	You set new cache coordinates for this cache and it is now displayed at this modified coordinates instead of the original coordinates. A useful feature for solved mysteries or multis.
	Offline Found Log	You have stored an offline found log for this geocache but not yet submitted this log online.
	Offline Not Found Log	You have stored an offline “Did not find” log for this geocache but not yet submitted this log online. This status will only be shown as long as the log is offline.
	Offline Note Log	You have stored an offline note log for this geocache but not yet submitted this log online. This status will only be shown as long as the log is offline.
	Offline Needs Maintenance Log	You have stored an offline “Needs maintenance” log for this geocache but not yet submitted this log online. This status will only be shown as long as the log is offline.
	Offline Owner Maintenance Log	You have stored an offline “Owner Maintenance” log for this geocache but not yet submitted this log online. This status is specific for cache owners and will only be shown as long as the log is offline.
	Offline Needs Archived Log	You have stored an offline “Needs archived” log for this geocache but not yet submitted this log online. This status will only be shown as long as the log is offline.
	Offline Unknown Log	You have stored an offline log of a special or unknown type for this geocache but not yet submitted this log online. This status will only be shown as long as the log is offline.
	Green list marker	You have stored an offline log of a special or unknown type for this geocache but not yet submitted this log online. This status will only be shown as long as the log is offline.
