Icônes des attributs

Cette page donne un aperçu de toutes les icônes d'attributs utilisées dans c:geo. Les icônes d'attributs sont utilisées par un propriétaire de cache pour décrire les attributs d'un cache et sont affichées sur la page [des détails des caches](#).

Vous pouvez appuyer sur la section des attributs dans les détails du cache pour afficher une description textuelle au lieu des icônes.

La plupart des icônes peuvent être annulées si elles sont utilisées avec ceci :  (par exemple, „Disponible 24 heures sur 24 et 7 jours sur 7“ serait annulé par „Non disponible 24 heures sur 24 et 7 jours sur 7“).

Tous les attributs ne sont pas disponibles pour tous les services de géocaching
